PVT LTD

Feel The Beauty

COMPANY PROFILE

MR ELECTRONICS PVT. LTD. is a well-known company in consumer durable industry in India, we are committed to deliver innovative, high-performance solutions that enhance everyday living. With state of-the-art infrastructure and advanced manufacturing capability, we specialize in the design, production and distribution of Air Coolers, LED TVs and Washing Machines. Our products are engineered with cutting-edge technology, ensuring optimal functionality, energy efficiency and superior quality.

Mr. Rohit Bubber
Director

With over 30+ years of combined experience in the industry, the management team brings a wealth of expertise and a deep understanding of the consumer durables sector. Their vast experience spans across product innovation, manufacturing excellence and customer service ensuring the company remains at the forefront of industry trends and technologies. The leadership team is dedicated to drive the company's growth, maintaining high standards of quality and fostering a culture of innovation and customer satisfaction. Their strategic vision and commitment to excellence have been instrumental in establishing M R ELECTRONICS PVT LTD as a trusted and reliable brand in the market.

Mr. Mohit Bubber
Director

OUR VISION

As a Company Our Vision is to emerge as one of the top leading brand in the country. We know that through Consistency, Hard Work and Focusing on Quality will help propel our brand to be among the top brands in Country.

OUR MISSION

Our Mission is to provide quality electronic and consumer durable products to our clients to ensure that our customers are happy and satisfied with our products. We are also working hard to become the corporate citizen of the global market. In addition to that, we are committed to always adopt newer & better practices and technology that meets global standards in Terms of Quality & Productivity.
